WILL YOU HELP?

Our desire is to return to Hungary and we are in desperate need of your help!

Over the past few years you have seen God do amazing things in and through our family to reach the youth of Hungary.

Our Hungarian youth group is expecting us back to continue in the discipleship and outreach in their community.

Will you help us get back?

We have a deadline for housing here in the states which is June 30th, 2012. Before we can return to Hungary we need to be at 100% of our monthly budget, however we are currently at 80%.

This remaining 20% of needed support equals around **\$1650** more a month. We need to have this remaining monthly budget finished by May 31, 2012.

We are asking that you partner with us to reach the youth of Hungary by giving on a monthly basis!

Anything you can do would be awesome: \$10, \$20, \$50, \$100 a month.

We are desperate to return and feeling the urgency to get back to what God has called us to do!

Fall is here! Without question, fall is the favorite time of the year for the Phillips Family. It brings cooler weather, fall festivities and fall decorations. For Briana, her birthday is in October and she recently told us that this year for her birthday, she wanted a movie, 5 balloons, 5 presents and chocolate cake. Somehow, I believe she meant for the cake to be at the top of the list.

October is also the month that our home church, Starkey Road Baptist holds its Annual Outreach Production of Judgment House which is a walk-through drama that tells a story of everyday people who are faced with life-changing decisions. Will they make the right choice? Through the use of dramatic events, one will be faced with how these decisions will affect them for eternity. All of the characters are portrayed by members of our church and it has proven to be an amazing way to reach the community with the gospel.

Over **1200** people walked through this years' Judgment House called "Overdose". As viewers made their way through the seven scenes, they were introduced to a family whose daughter had become affiliated with the wrong crowd and as a result became addicted to drugs. As her brother shared the Gospel with her and her friends, they were all now faced with eternal decisions. To summarize the remainder of Judgment House, the girl overdoses at a pill party never making a decision to follow Christ. However, one of her friends cries out to the Lord in his dying breath asking Jesus to forgive him and come into his life much like the one thief on the cross next to Jesus. The drama continues and they are taken graveside at her funeral, then to the Judgment scene where she is seen pleading her case to go to Heaven, then to the Hell scene and finally closing out the drama with a glorious display of Heaven.

After completing all seven scenes, visitors are presented with the gospel again by one of our pastors.

It was very exciting to be part of this outreach of our home church.

So far, the following results have been reported:

- There were 10 salvations
- Later, on a follow-up visitation night, a father and son received Christ as a result of attending Judgment House.
- 3 new teenagers came to youth group as a result of coming to Judgment House
- 27 Hispanic ladies attended a special Bible study as a result of Judgment House
- We have had several new families come to our church recently as a result of Judgment House
